

Summer 2017 Professional Development

Teachers are encouraged to further their education during the summer break. The district will pay for up to 3 days of training at the Region 3 Education Service Center for each teacher. The following guidelines apply.

1. Workshops attended must correlate to the teacher's 2017-18 classroom assignment.
2. The campus principal must approve the workshops.
3. Teachers can request a school car for transportation to the service center. The district will not pay for travel in personal cars.
4. Workshops sponsored by any agency other than Region 3 ESC will require the approval of the campus principal and the Assistant Superintendent.
5. Use Purchase Order number 17-0575 for payment.
6. The district coops with Region 3 for all core subjects, technology, G/T and ESL.

Teachers are encouraged to seek out courses or video segments in Edivate (www.pd360.com). Log in, click on Resources, and then click Videos. Search video segments by grade level or content.
