WHY EAT SCHOOL BREAKFAST???

School Breakfast really is the most important meal of the day for kids as it provides the necessary fuel to start a day of learning and achievement.

Higher Academic Scores

Students who eat breakfast earn, on average, a letter grade higher in math than kids who don't

Improved behavior

Hungry children are more likely to have discipline problems

Reduced tardiness and absenteeism

Kids who participate in the School Breakfast Program are tardy and/or absent from school less.
