Accelerated Reader Guidelines

The Accelerated Reader Program will be used by all campuses in the district.

Students will participate in Accelerated Reader through the English classes. Students in English I and English II are required to have an AR grade each six weeks. English III and English IV students have the option to earn AR points for extra credit. In both instances, the AR grade will be entered as an extra test grade. The AR grade should not change the 6 weeks average more than 5 points in either direction.

Grades will be recorded according to the following point scale.

Points	Grade
15	100
14	92
13	86
12	79
11	73
10	66
9	59
8	52
7	45
6	38
5	31
4	24
3	17

Requirements in the 1st and 6th six week grading periods will be adjusted since the library is closed for part of those grading periods.
